

## PROJECT SUNLIGHT REPORTING FORM

Legislation effective January 1, 2013 (enacted as part of Omnibus Ethics Legislation Ch. 399, Part A, §4, L. 2011) establishes a database, "Project Sunlight," which makes available to the public, data concerning individuals and firms who appear before State entities with respect to five categories of matters: (1) procurement of goods and services, (2) rate-making, (3) regulatory matters, (4) judicial or quasi-judicial proceedings, or (5) rule-making per the State Administrative Procedures Act. Given the nature of SUNY activities, we are most likely impacted in the area of procurement. We are required to report appearances by individuals and firms who appear before SUNY Decision Makers or persons who advise Decision Makers (known as Advisors). SUNY Polytechnic Institute Procurement Office staff will be handling the entry of these appearance reports at the campus level. **Each time you have a qualified appearance, including multiple appearances related to a specific procurement, fill out the following form and return via e-mail to [manored1@sunyit.edu](mailto:manored1@sunyit.edu) within three (3) days of the communication/appearance.**
