

## HEERF II Information Student Aid

SUNY Poly received Student Aid funding under the CRRSAA section 314(a)(1) program. This program, with some changes, provides supplemental funds to the CARES Act section 18004(a)(1) program. SUNY Poly signed and returned to the Education Department a Certification and Agreement as required under the CARES Act section 18004(a)(1) program. We acknowledge that by drawing down the CRRSAA Student Aid Funds, our institution agrees to be bound by the conditions set forth in the CRRSAA Student Aid Supplemental Agreement including using 100 percent of these Student Aid Funds to provide emergency aid grants to students.

SUNY Poly has received or will receive \$1,064,755 from the Department of Education pursuant to the Certification and Agreement [for] Emergency Financial Aid Grants to Students.

SUNY Poly has distributed \$1,064,255.08 thus far under the CRRSAA Act as of June 30, 2021.

SUNY Polytechnic Institute has determined that approximately 904 students at the institution are eligible to participate in programs under Section 484 in Title IV of the Higher Education Act of 1965, and had a calculated EFC within the Pell eligible range, thus being eligible to receive Emergency Financial Aid Grants to students under the CRRSAA Act and SUNY System guidance.

Approximately 903 students have received an Emergency Financial Aid Grant to students under the CRRSAA Act as of June 30, 2021.

SUNY Poly has received guidance from SUNY System and has prioritized awarding of Emergency Financial Aid Grants to its students in the following manner (methodology):

Awarding of HEERF II Emergency Relief Funds was originally reserved for students who had filed a FAFSA, completed any necessary verification requirements, and had an officially calculated EFC within the Pell eligible range. Awards were prorated based upon EFC range and enrollment status (full-time vs. part-time). The awards were determined according to an Excel worksheet that was provided by The State University of New York. Awards were determined according to the following chart:
