# Resources for Faculty on Blackboard Learn

Open SUNY has provided two courses for faculty to learn to use Blackboard. Follow the process below to add them to the Your Courses tab in Blackboard.
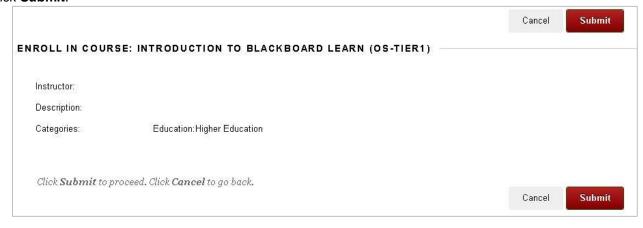

Open **Your Courses**

Do a course search on **Blackboard Learn**, and click **Go** to bring up the courses.

The Blackboard Learn Faculty training courses are shown below. Click the chevron to the right of the Course ID as shown in the image below.

Click **Enroll**.

Click **Submit**.

Click **OK** to continue. It opens the course you enrolled in. To exit, click the **Your Course**s tab and repeat the process to add the other course.

Action Successful:Success: Enrollment in **Introduction to Blackboard Learn (OS-Tier1)** as demo13 processed. Click **OK** to continue.
