Accommodations for Students with Accessibility Needs at SUNY Polytechnic Institute:

Your access in this course is important to me. In compliance with the Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973, SUNY Polytechnic Institute is committed to ensuring comprehensive educational access and accommodations for all registered students seeking access to meet course requirements and fully participate in programs and activities. Students with documented disabilities, temporary, or medical conditions are encouraged to request services by contacting Student Accessibility Services (SAS) or filling out the [Request for Accommodations form](#). Please note, requesting accommodations is only the first step. You must provide documentation to SAS and meet with staff *before* receiving accommodations. Please do this as early as possible 1) because accommodations are never retroactive and 2) so that we have adequate time to arrange your approved academic accommodation/s. Once SAS creates your accommodation plan, it is your responsibility to provide me a copy of the accommodation plan.

If you experience any access barriers in this course, such as with printed content, graphics, online materials, etc., reach out to me or Accessibility Services right away. For information related to these services or to schedule an appointment, please contact the SAS using the information provided below.

If you are pregnant or experience a pregnancy-related condition, please reach out to me as soon as possible to discuss any accommodations you may need to support your participation in the course. Accommodations may include, but are not limited to, adjustments to class attendance policies, extended deadlines, or arrangements for makeup exams.

The university ensures that pregnant students will not face discrimination or be excluded from any educational programs or activities. Any concerns related to pregnancy and academic participation will be addressed with respect and confidentiality.

If you have questions or would like to request accommodations outside of what is being offered in class please contact the Title IX Coordinator, Kathie Artigiani, at artigik@sunypoly.edu.
