

Sock Drive

SUNY Polytechnic Institute is proud to partner with the Mohawk Valley Community Action Agency to host a Sock Drive supporting individuals and families in need throughout Herkimer and Oneida Counties.

We're collecting new socks of all sizes, colors - children's, women's, and men's — to help keep our community warm and comfortable this season.

Donation Drop-Off:

Kunsela Hall, Room B246 - Administration Suite

Now through January 15, 2026

Every pair makes a difference! Join us in spreading warmth and kindness across the Mohawk Valley. ❤️
