| Student Type Code | Student Type Definition |
|-------------------|--|
| A | An undergraduate student who is enrolled at the reporting institution for the first time in the current term, but who has attended another college or university prior to the current term. |
| B and C | An undergraduate or graduate student who has previously enrolled at the reporting institution (B=continuously enrolled, C=returning). |
| D | A graduate student whose first enrollment as a graduate student at the reporting institution occurs during the current term AND is charged the orientation fee. |
| E | A student enrolled at an international college coming to SUNY to participate in one of SUNY's approved overseas Exchange Programs. |
| F | A student who has not attended any college or university after completing/terminating his high school education and is enrolling at the reporting institution for the first time in the current term. |
| G | A graduate student whose first enrollment as a graduate student at the reporting institution occurs during the current term AND is in an accelerated program (e.g. BS/MS) AND is NOT charged the orientation fee. |
| H | A student that is simultaneously enrolled in high school and college before completing/terminating his or her high school education. A concurrently enrolled student should be classified as a first-time student in the fall/spring immediately following the completion/termination of his or her high school education. |
| P | A graduate student whose first enrollment as a graduate student at the reporting institution occurs during the current term AND is charged the orientation fee AND is seeking a PhD. NOTE: SIRIS maps to D. Can only be P their first semester, then becomes continuing student. |
| S | A cooperative arrangement between colleges that allows a student to receive instruction and obtain academic credit for courses administered by an institution other than the student's home institution. |
| Z | A new graduate student that has taken a course(s) in the summer prior to the fall entering cohort. Note: Can only be a student type of Z during the summer term, then becomes a D the following fall. |
| Q | New student type code. A current MS student that is new to the PhD program. Note: SIRIS maps to student type B=continuing student. |
| N | New student type code. New non-matriculated student. |
| O | New student type code. C/R non-matriculated student. |
