**Earn two nursing degrees  
in four years!**

# Earn two nursing degrees in four years!

## Here's How:

- Begin coursework at SUNY Poly to fulfill General Education requirements during your first (freshman) year; courses apply to your associate's and bachelor's degree.
- Begin your associate's degree program and course work with St. Elizabeth's in years two and three of your nursing program, leading to RN licensure. Continue to take coursework towards your bachelor's degree.
- Complete coursework to earn your bachelor's degree in year four at SUNY Poly.

## Benefits:

- Have the opportunity to live on-campus at SUNY Poly for all four years.
- Complete the RN and BSN program in four years; we do not waitlist students.
- Your nursing curriculum is designed to support your academic success.
- Partnership students are in high demand; SUNY Poly has earned top accreditations and St. Elizabeth's NCLEX-RN® pass rate is one of the top in the state!

Join our unique partnership between St. Elizabeth College of Nursing in Utica, N.Y., and the State University of New York Polytechnic Institute (SUNY Poly) in Marcy, N.Y.

## Enjoy a truly unique college experience ...

**SUNY Poly** – Technologically sophisticated classrooms and laboratories, personal mentoring by faculty and staff, and a full range of recreational and extracurricular activities on the most beautiful campus in the SUNY system.

**St. Elizabeth College of Nursing** – The best preparation to work in today's health care environment, one-to-one relationship with faculty, and the most extensive hands-on clinical experience (over 600 clinical hours) available in a nursing program today.
