

January 9, 2019

To SUNY Poly Faculty, Staff, and Students:

As SUNY Polytechnic Institute marks the beginning of a new semester and the start of a new year, I want to provide you with a leadership update. Vice President for Enrollment Management, Dr. Michael Manning, is leaving SUNY Poly to pursue other opportunities. We thank him for his service to our institution.

Enrollment management is a critical component of SUNY Poly that supports our ability to provide a top-tier academic experience for our students. I am excited to announce that Marybeth Lyons, Vice President for Student Affairs, will now bring her wealth of experience to our strategic enrollment efforts. Marybeth brings a strong history of admissions/enrollment management having served as Director of Admissions and Assistant Vice President for Enrollment Management at SUNY Poly prior to her current role in student affairs. She will work in close collaboration with Associate Vice President for Enrollment Management Maryrose Raab and her team. In addition, Interim Provost Dr. Steven Schneider will oversee K-12 outreach. I am confident that their combined leadership will guide SUNY Poly's vision for strong outreach, recruitment, enrollment, and retention activities as we continue strengthening our talented and diverse student body.

Please join me in wishing Dr. Manning the best in his future endeavors. I look forward to your strong support of our strategic enrollment and outreach efforts.

Sincerely,

Dr. Grace Wang
Interim President
SUNY Polytechnic Institute
