## Looking Forward

An aerial architectural rendering of the SUNY Poly campus. The scene features a large green soccer field in the lower-left foreground with white field markings and a blue logo in the center. To the right of the field is a modern, multi-story building with a white roof and glass facade. Further right and slightly behind are several other large, modern buildings with curved facades and glass windows. The campus is surrounded by green lawns, trees, and parking lots filled with cars. In the background, there are rolling green hills under a blue sky with light clouds.
